Subject: Undertaking Regarding Non-Claim of Additional Transportation Charges for Shifting of CMR Delivery Godown from FSD Tangla to FSD Changsari

Respected Sir,

With reference to our request for shifting of the tagged CMR delivery depot from FSD Tangla to FSD Changsari for KMS 2025-26, we hereby undertake and confirm that we shall not claim any additional transportation charges, compensation, reimbursement, or any other financial benefit from AFCSCL, FCI, or any Government agency on account of the said shifting.

We fully understand and accept that any additional transportation cost, if incurred due to the change of delivery point from FSD Tangla to FSD Changsari, shall be borne entirely by us at our own cost and risk.

This undertaking is submitted voluntarily in support of our request for approval of the aforesaid depot shifting.

We request your good office to kindly consider and approve our request and forward the same to FCI for necessary action.

Thanking you.

Yours faithfully,
